A note from a compassionate, loving and caring Aussie husband...

LOOK AFTER YOUR WIFE...

A couple of weeks ago, I was sitting on the patio, drinking beer and watching my wife mow the lawn.

Cheryl from next door saw us and was so upset that she came over and yelled at me, "You lazy prick! Sitting there drinking beer while your poor wife pushes that ancient lawn mower around! Get up off your fat arse and give her a break!"

I thought 'Shit women!' Took another swig from my stubby, wiped the cold foam from my lips, lifted my sunnies, stared directly at this nosey cow and told her in no uncertain terms to sod off and mind her own business. I told her my wife had green fingers and that she really enjoyed gardening.

After a few days I felt really bad, so I went out and bought her a ride-on mower to show my sensitive side. I'm really proud of the deal I got and also very proud that my wife can now sit down while mowing the lawn. Yes guys, we should take good care of our wives... then maybe they'll take good care of us.

I've attached a picture on the following page...hope it comes through OK

Colin's Corner IT'S FUN BEING IN ROTARY!!!

I KNOW...I'M TOO BLOODY SOFT WITH HER. SHE'LL PROBABLY WANT GEARS ON IT NEXT!!

Advance Australia Fair

*Australians all let us rejoice, for we are young and free
We've golden soil and wealth for toil, our home is girt by sea
Our land abounds in nature's gifts, of beauty rich and rare
In history's page let every stage, advance Australia fair
In joyful strains, then let us sing
Advance Australia fair*

This Week ...

Rotary Clubs and Membership

Rotary is a worldwide organisation of business and professional people that provides humanitarian service, encourages high ethical standards in all vocations and helps build goodwill and peace in the world. Approximately 1.2 million Rotarians belong to more than 32000 Rotary Clubs located in over 200 countries.

Clubs may differ from each other in demographic terms, meeting times and venues, but all have the same aims of making the world a better place, locally and internationally, while at the same time strengthening established friendships and creating new ones.

One of 51 clubs in Rotary District 9810, the Rotary Club of Mitcham has served its local community, and participated in many international projects since its charter in 1979. In these busy days, it is not so easy for young business and professional people to set aside a little bit of time to participate in Rotary functions. Those who do, are rewarded beyond belief. Support for Camp Quality - Kids living with Cancer, the International Polio Plus worldwide Polio eradication program, International Student Exchange, Rotary Youth Leadership Awards and many other fantastic opportunities exist. Giving immense satisfaction to all who are involved.

... of the things we think, say or do.

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?

The Objects of Rotary

To encourage and foster the idea of service as a basis of worthy enterprise and in particular:

- first** The development of acquaintance as an opportunity for service.
- second** High ethical standards in business and professions, the recognition of the worthiness of all useful occupations and the dignifying by each Rotarian of this occupation as an opportunity to serve society.
- third** The application of the ideal of service by every Rotarian's personal, business and community life.
- fourth** The advancement of international understanding, goodwill and peace, through the world fellowship of business and professional men and women united in the ideal of service.

Description of Rotary

Rotary is an organisation of Business and Professional persons, united world wide who provide humanitarian service, encourage high ethical standards in all vocations, and help build goodwill and peace in all the world.
