President David Murray 2009 2010

Wow what a week in Rotary it has been.

Friday night market committee meeting where Mitcham volunteered to look after the green market van for the next twelve months. This entails helping with market set up and retrieving the van and barbeque items after every market. It was amazing to see how many people are behind the scenes to make the market run and allow us to make so far over \$100000.00 for community use .

Saturday Sharon and I drove to the YMCA camp near Pykes Creek to pick up Ingrid Diep and Rob Wojtasik our RYLA participants, it was uplifting to see how each participant felt that their lives had been changed for the better.

This week Ingrid will be our guest speaker and I have no doubt that you will be very impressed by this local Mitcham lady. Rob Wojtasik will be speaking to us on the eleventh of August. It will be interesting to get two different views on the RYLA camp.

Sunday morning five thirty start in the little green van setting up the market. So good to see Eva Anderson there working hard for our club, helping to set up the sites for store holders and of course helping relieve them of some cash. Fred Wiffrie also attended handing out rattling tins to collect entry gold coin donations.

Tuesday Rotary lunch. Finally guest speakers with Lieutenant Richard Parker and Mr Peter Nixon from the Mitcham Salvation Army Corps sharing their plans for the future of the Salvos in Mitcham and for young people in need of support.

Next week we have the District Governor visiting us, so if possible could you bring your partners along to participate in welcoming DG David's wife Jenny and help make their time with us enjoyable.

Enjoy your week ahead,

President David

Glenys and myself travelled to Ka-pooka, near Wagga in NSW last week to be present at the March Out Pa-
rade for our second son, Cameron.

A proud day for all.

Regards,

Colin

Colin's Corner IT'S FUN BEING IN ROTARY!!!

Morris returns from the doctor and tells his wife that the doctor has told him that he has only 24 hours to live.

Given the prognosis, Morris asks his wife for sex. Naturally, she agrees, so they make love.

About 6 hours later, the husband goes to his wife and says, 'Honey, you know I now have only 18 hours to live. Could we please do it one more time?' Of course, the wife agrees, and they do it again.

Later, as the man gets into bed, he looks at his watch and realizes that he now has only 8 hours left. He touches his wife's shoulder and asks, 'Honey, please... just one more time before I die.' She says, 'Of course, Dear,' and they make love for the third time.

After this session, the wife rolls over and falls to sleep.

Morris, however, worried about his impending, tosses and turns, until he's down to 4 more hours.

He taps his wife, who rouses. 'Honey, I have only 4 more hours. Do you think we could...'

At this point the wife sits up and says, 'Listen Morris,

I have to get up in the morning... you don't.'

Advance Australia Fair

*Australians all let us rejoice, for we are young and free
We've golden soil and wealth for toil, our home is girt by sea
Our land abounds in nature's gifts, of beauty rich and rare
In history's page let every stage, advance Australia fair
In joyful strains, then let us sing
Advance Australia fair*

Rotary Clubs and Membership

Rotary is a worldwide organisation of business and professional people that provides humanitarian service, encourages high ethical standards in all vocations and helps build goodwill and peace in the world. Approximately 1.2 million Rotarians belong to more than 32000 Rotary Clubs located in over 200 countries.

Clubs may differ from each other in demographic terms, meeting times and venues, but all have the same aims of making the world a better place, locally and internationally, while at the same time strengthening established friendships and creating new ones.

One of 51 clubs in Rotary District 9810, the Rotary Club of Mitcham has served its local community, and participated in many international projects since its charter in 1979. In these busy days, it is not so easy for young business and professional people to set aside a little bit of time to participate in Rotary functions. Those who do, are rewarded beyond belief. Support for Camp Quality - Kids living with Cancer, the International Polio Plus worldwide Polio eradication program, International Student Exchange, Rotary Youth Leadership Awards and many other fantastic opportunities exist. Giving immense satisfaction to all who are involved.

... of the things we think, say or do.

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?

The Objects of Rotary

To encourage and foster the idea of service as a basis of worthy enterprise and in particular:

- first** The development of acquaintance as an opportunity for service.
- second** High ethical standards in business and professions, the recognition of the worthiness of all useful occupations and the dignifying by each Rotarian of this occupation as an opportunity to serve society.
- third** The application of the ideal of service by every Rotarian's personal, business and community life.
- fourth** The advancement of international understanding, goodwill and peace, through the world fellowship of business and professional men and women united in the ideal of service.

Description of Rotary

Rotary is an organisation of Business and Professional persons, united world wide who provide humanitarian service, encourage high ethical standards in all vocations, and help build goodwill and peace in all the world.
