## President David Murray 2009 2010

How impressed were you with our RYLA participant Ingrid Diep last week, she showed true commitment and an honest approach that I found very refreshing.

Ingrid has a great future in front of her and, with the assistance of the Rotary club of Mitcham sponsoring her to the RYLA camp, now has a broader outlook. I feel that she will go on to join Rotoract or at the very least have a greater understanding of all things Rotary. (Future Rotarian?)

I attended a cluster group meeting Wednesday night with my fellow Presidents discussing quite a few items of interest to all our clubs. We spoke of many different subjects but the one that had their heart rates climbing was about forming a new rotary club around the Vermont area. Many thought that a new club would mean the end of the Mitcham and Forest Hill Clubs and adversely affect the other clubs. I however don't see it that way at all as I believe that a strong Rotary presence in the local area would benefit all clubs. It was proposed that the new club would meet on a Thursday night so obviously not everybody would want to give up Thursday night and perhaps Tuesday lunch time would be perfect for them. Oh well, stay tuned. More to come, and your feed back would be most welcome.

We welcome District Governor David and his partner Jenny Forster to our meeting today, David is a committed Rotarian having joined Rotary in 1997 . David is a member of the Rotary Club of Templestowe and served on many club and district committees through his rotary life.

Accompanying DG David and Jenny will be assistant Governor Brian Tyedin. Not a bad guy for a Dentist. So sit back and enjoy our lunch and distinguished Speaker.

Have a great week ,

President David

# Rotary Clubs and Membership

Rotary is a worldwide organisation of business and professional people that provides humanitarian service, encourages high ethical standards in all vocations and helps build goodwill and peace in the world. Approximately 1.2 million Rotarians belong to more than 32000 Rotary Clubs located in over 200 countries.

Clubs may differ from each other in demographic terms, meeting times and venues, but all have the same aims of making the world a better place, locally and internationally, while at the same time strengthening established friendships and creating new ones.

One of 51 clubs in Rotary District 9810, the Rotary Club of Mitcham has served its local community, and participated in many international projects since its charter in 1979. In these busy days, it is not so easy for young business and professional people to set aside a little bit of time to participate in Rotary functions. Those who do, are rewarded beyond belief. Support for Camp Quality - Kids living with Cancer, the International Polio Plus worldwide Polio eradication program, International Student Exchange, Rotary Youth Leadership Awards and many other fantastic opportunities exist. Giving immense satisfaction to all who are involved.

... of the things we think, say or do.

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?

## The Objects of Rotary

To encourage and foster the idea of service as a basis of worthy enterprise and in particular:

- first** The development of acquaintance as an opportunity for service.
- second** High ethical standards in business and professions, the recognition of the worthiness of all useful occupations and the dignifying by each Rotarian of this occupation as an opportunity to serve society.
- third** The application of the ideal of service by every Rotarian's personal, business and community life.
- fourth** The advancement of international understanding, goodwill and peace, through the world fellowship of business and professional men and women united in the ideal of service.

## Description of Rotary

*Rotary is an organisation of Business and Professional persons, united world wide who provide humanitarian service, encourage high ethical standards in all vocations, and help build goodwill and peace in all the world.*
