2011 - 2012**

Hi all.

I will be away this Tuesday and the remainder of the week at an International Cities, Town Centres and Communities Conference (ICTC) in Hobart. (No it is not a Jolly, although no doubt many will accuse me of being on one.)

In my absence Wayne Lucas will chair the meeting and he and Dianne will show their Indonesian village and talk about their associated charity work.

The induction of Joseph O'Loughlin will be deferred until the 8th November, the week after our Melbourne Cup extravaganza at Redbox winery.

The Whitehorse Spring Festival was held last Sunday and was a great success, not-with-standing the weather and slushiness underfoot. Thanks to Sharon Partridge for manning the Rotary booth as well as two other booths on the day.

There is still time for club members to stand in for the Whitehorse Cluster meeting of 3 November (7:30am breakfast) or the Presidents meeting of 11th November. Don't all rush at once!

Once again, please bring along any unwanted glasses/spectacles you can get from your family, friends and associates and donate to Wayne and Dianne's Indonesian project.

Until next time, stay well.

All the best,

President Philip

APOLOGIES: Would all members please ring or email another member if they are not able to attend a regular meeting of the club, if they find they have another engagement?

The WFM Management Committee has decided to experiment with a different roster arrangement for the November and December markets. Essentially, the difference is that we propose to roster each club to a particular entrance gate at the market thereby ensuring each gate has proper coverage and the workload is shared equally among the clubs.

Currently, Rotarians are sent to a gate on the basis of when they arrive and what the need is at a particular gate or they simply proceed to a gate of their choice. A disadvantage of this approach is that experience shows we end up with more than enough Rotarians at the main gate and the bare minimum at the other gates.

Before I advise you of the new roster arrangement, I have to settle some other roster issues. Hence, this email is to forewarn you that details of the new roster will be sent out, probably late next week.

Can you please advise the person in your club who looks after the WFM roster that a new roster for November and December will be issued late next week.

The GSE Committee are still looking for home hosts for the GSE Team coming over next year. If anyone in your club is able to assist, please contact Andrew Brownlie, or anyone else from the District GSE committee directly.

The next Whitehorse cluster is scheduled as follows:

Whitehorse LGA: Thu 03-Nov 07:30am Jam for Joe Café

The second Presidents meeting for the year will be held at WHEELERS HILL INTERNATIONAL, JELLS RD WHEELERS HILL, on FRIDAY 11th November 2011 6.30pm for a 7.00pm start.

For those Presidents unable to attend, could you please advise who will be attending in your place.

CLUB SERVICE:

The Doctor's Advice for Uncertain Rosterees

So you've been volunteered! Congratulations! You aren't sure what to do? Here are Dr Phil's helpful hints to avoid the sergeant fining you for dereliction of duty:

WELCOME

Be at the meeting latest by 12:50pm.

Warmly welcome all and make a special effort to greet visitors.

If visitors don't know anyone introduce them to members to ensure they feel welcome.

Offer to buy the guest speaker a drink if the Rotarian who arranged him/her is not there—and be sure to tell the sergeant (after you've claimed back the money from the Rotarian who arranged the speaker!)

Remember, first impressions count with visitors.

FRONT DESK

Be at the meeting latest by 12:40pm.

Collect payment whilst noting their attendance on the list (copies in the brief case).

Distribute raffle tickets.

When there's a second attendance list for a social event ask everyone to sign; if they're going to it, collect the money if appropriate. Note on the attendance list the separate amounts collected for lunch, raffle, auction etc.

Give the lunch related money to the treasurer, and event money to whomever you were requested to give it to.

CHAIRPERSON

There's normally a cheat sheet

either on the front desk or the lectern. Rotary International is encouraging Clubs to 'modernise' meetings, i.e. eliminating rather nice but what some think are outdated traditional items such as saying grace, the international toast etc, so you have the discretion to modify. Please return the cheat sheet to the front desk after the meeting.

SERGEANT

The sergeant-at-arms maintains order, encourages fellowship among members, and assists the club officers as needed.

During the fine session not everyone needs to be fined. The more light-hearted the fines the more likely they will be appreciated.

Mass fining everyone several times during a meeting might not be as well received as you had hoped.

(In our club, the above Applies to whoever arrives early to set up for the meeting, as well as those who arrive shortly thereafter.)

Colin.

Rotary Clubs and Membership

Rotary is a worldwide organisation of business and professional people that provides humanitarian service, encourages high ethical standards in all vocations and helps build goodwill and peace in the world. Approximately 1.2 million Rotarians belong to more than 32000 Rotary Clubs located in over 200 countries.

Clubs may differ from each other in demographic terms, meeting times and venues, but all have the same aims of making the world a better place, locally and internationally, while at the same time strengthening established friendships and creating new ones.

One of 51 clubs in Rotary District 9810, the Rotary Club of Mitcham has served its local community, and participated in many international projects since its charter in 1979. In these busy days, it is not so easy for young business and professional people to set aside a little bit of time to participate in Rotary functions. Those who do, are rewarded beyond belief. Support for Camp Quality - Kids living with Cancer, the International Polio Plus worldwide Polio eradication program, International Student Exchange, Rotary Youth Leadership Awards and many other fantastic opportunities exist. Giving immense satisfaction to all who are involved.

... of the things we think, say or do.

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?

The Objects of Rotary

To encourage and foster the idea of service as a basis of worthy enterprise and in particular:

- first** The development of acquaintance as an opportunity for service.
- second** High ethical standards in business and professions, the recognition of the worthiness of all useful occupations and the dignifying by each Rotarian of this occupation as an opportunity to serve society.
- third** The application of the ideal of service by every Rotarian's personal, business and community life.
- fourth** The advancement of international understanding, goodwill and peace, through the world fellowship of business and professional men and women united in the ideal of service.

Description of Rotary

Rotary is an organisation of Business and Professional persons, united world wide who provide humanitarian service, encourage high ethical standards in all vocations, and help build goodwill and peace in all the world.
