2011 - 2012**

Hi all,

What a great meeting last week and with such a high attendance.

Our guest speakers from Advanced Personnel management provided a very interesting overview of the most worthwhile work their organisation does to place people with disabilities into the workforce and the ongoing support provided.

This was a timely presentation following the previous week's presentation on the Donations in Kind (DIK) store. Both presentations provide food for thought and opportunities where the Rotary club of Mitcham could get involved.

Today we will hear from our newest member, Joseph O'Loughlin who will give us an overview of his business activities and also the progress of the Nunawading Community Bank.

This will be the last of our speaker events for the year and we will wind up the year with the final Board meeting before the Christmas break, a fellowship meeting and Christmas breakfast. All in all, a busy end to 2011.

Until next time, stay well.

All the best,
President Philip

APOLOGIES: Would all members please ring or email another member if they are not able to attend a regular meeting of the club, if they find they have another engagement?

Dear Presidents

As has previously been advised, the Management Committee wishes to conduct an experiment with a new gate roster for the Whitehorse Farmers Market.

At present, in addition to the egg and bacon stall, clubs are required to provide members to work at the market gates collecting donations. When the members arrived at the market, they were allocated to a gate as needs be but this sometimes resulted in uneven staffing at the three gates.

The experiment consists of allocating each club to a particular gate in order to achieve an even coverage at each gate and, on a two-month cycle, rotating the clubs around the gates in order that members have some variety. The experiment will be for the November and December markets and the results will then be assessed before any permanent change to the gate roster is considered.

For the next market, the gate roster is as follows:

11 December

Box Hill and Forest Hill

Nunawading and MASH

Eastern Gate

Box Hill Central and Mitcham

“Well, we have all our clothes off and I’m on top.”

“When does it start to feel good?”

“I’m getting a headache”.

LOGIC 101

An interesting letter in the Australian Shooter Magazine this week:

If you consider that there has been an average of 160,000 troops in the Iraq Theater of operations during the past 22 months, and a total of 2112 deaths, that gives a firearm death rate of 60 per 100,000 soldiers.

The firearm death rate in Washington, DC was 80.6 per 100,000 for the same period.

That means you are about 25 per cent more likely to be shot and killed in the US capital, which has some of the strictest gun control laws in the U.S., than you are in Iraq.

Conclusion: The U.S. should pull out of Washington

A small town in Italy twinned with a similar town in Greece.

- > The Mayor of the Greek town visited the Italian town. When he saw the
- > palatial mansion belonging to the Italian mayor he wondered how he
- > could afford such a house. The Italian said; "You see that bridge
- > over there? The EU gave us a grant to build a two-lane bridge, but by
- > building a single lane bridge with traffic lights at either end this
- > house could be built".
- > Soon after, the Italian visited the Greek town. He was simply
- > amazed at the Greek Mayor's house, gold taps, marble floors, it was
- > marvellous. When he asked how this could be afforded the Greek said;
- > "You see that bridge over there?"
- > The Italian replied; "No."

Rotary Clubs and Membership

Rotary is a worldwide organisation of business and professional people that provides humanitarian service, encourages high ethical standards in all vocations and helps build goodwill and peace in the world. Approximately 1.2 million Rotarians belong to more than 32000 Rotary Clubs located in over 200 countries.

Clubs may differ from each other in demographic terms, meeting times and venues, but all have the same aims of making the world a better place, locally and internationally, while at the same time strengthening established friendships and creating new ones.

One of 51 clubs in Rotary District 9810, the Rotary Club of Mitcham has served its local community, and participated in many international projects since its charter in 1979. In these busy days, it is not so easy for young business and professional people to set aside a little bit of time to participate in Rotary functions. Those who do, are rewarded beyond belief. Support for Camp Quality - Kids living with Cancer, the International Polio Plus worldwide Polio eradication program, International Student Exchange, Rotary Youth Leadership Awards and many other fantastic opportunities exist. Giving immense satisfaction to all who are involved.

... of the things we think, say or do.

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?

The Objects of Rotary

To encourage and foster the idea of service as a basis of worthy enterprise and in particular:

- first** The development of acquaintance as an opportunity for service.
- second** High ethical standards in business and professions, the recognition of the worthiness of all useful occupations and the dignifying by each Rotarian of this occupation as an opportunity to serve society.
- third** The application of the ideal of service by every Rotarian's personal, business and community life.
- fourth** The advancement of international understanding, goodwill and peace, through the world fellowship of business and professional men and women united in the ideal of service.

Description of Rotary
