APOLOGIES: Would all members please ring or email another member if they are not able to attend a regular meeting of the club, if they find they have another engagement?

Rotary Clubs of Whitehorse Farmer's Market Sunday July 8th.

About 62 traders were in attendance, the weather was fine for a change and good crowd good attendances. The egg man sold out by about 11am and as this is one of the key measures of a successful market, I think we were all satisfied with the outcome on the day .

As always, Eva Anderson and Peter McPhee were there to set up well before dawn, as was Dave Murray who hung in there all day. What a Trojan! Philip was able to be there was there for a stint during the morning as well. We do need a few more club members, their families or friends to donate two hours of their time on the second Sunday of each month to ensure that we will be able to maximise the return in terms of funds to the Rotary Clubs of the Whitehorse Cluster Group.

We need at least three more people to come along to help out for two hours each on the next date, which is August 8th, we will be well represented as a club.

The July Farmer's Market Figures came in as follows:

Stalls \$3,830 Donations \$1,579 Barbeque \$599 Total: \$6,008

The secret of enjoying a good wine:

1. Open the bottle to allow it to breathe.

2. If it does not look like it's breathing, give it mouth-to-mouth.

AUSTRALIAN ROTARY HEALTH

Australian Rotary Health (ARH) is a major research fund and grants organization. It is the largest Australia-wide project undertaken by Rotary.

The Australian Rotary Health Board allocates research grants on the advice of a Research Committee that comprises eminent medical and paramedical professionals.

Since 1985 over A\$26.7m has been allocated to approximately 495 grants for research into such areas as Sudden Infant Death Syndrome, Care of the Aged, Adolescent Health, Family Health, Mental Illness, Cancer research, Neurological research and many other research areas.

Medical research is the primary beneficiary of funds from Australian Rotary Health. Since the year 2000 Mental Illness has been the main focus of research funding.

"Supporting healthier minds, bodies and communities through research, awareness and education"

Our District has contributed A\$2.4m since allocated grants commenced in 1985. And our ride has contributed over \$850,000 over the past 25 years.

All donations over \$2 are Tax deductible.

... of the things we think, say or do.

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?
