*Greetings all,*

On the front of this news letter we have recorded an important occasion in the history of our club. For the first time since our charter in 1979, we have inducted a Corporate Member. Congratulations to PP Philip Daw for his efforts and persistence in reaching this goal, and a very special welcome to our first corporate member, Lisa Supple, the manager of the RSL Sub-Branch in Mitcham. Thanks also to last week's guest speaker, Des Pitfield, for the professional photograph of this important milestone. For the next four weeks, we will be short of both our Club secretary and the treasurer as well. Both are taking a well earned break, and getting away from Melbourne's chilling weather. Welcome to our meeting today,

## **Colin**

## **Cluster Foundation Road Show**

Northern and Eastern Region Clusters

The Rotary Club of Croydon has agreed to organise the Cluster Foundation Road Show for the Northern and Eastern Region Clusters. Full details are displayed on the attached Registration Form.

It is envisaged that this meeting could be in lieu of your normal meeting that week. However, if that is not an option, we would appreciate as many of your members as possible attending.

Club numbers are required by Monday, August 13, 2012. We have asked for payment by Club cheque so that we are not collecting monies on the night.

This is an initiative started last year and found to be more successful than one large Seminar per year on a Sunday. It would be greatly appreciated if you would give this Cluster Foundation Road Show your full support.

**A “smorgasbord” of Rotary Foundation recipients and speakers will be provided. Hear about Rotary Foundation working**

# AUSTRALIAN ROTARY HEALTH

Australian Rotary Health (ARH) is a major research fund and grants organization. It is the largest Australia-wide project undertaken by Rotary.

The Australian Rotary Health Board allocates research grants on the advice of a Research Committee that comprises eminent medical and paramedical professionals.

Since 1985 over A\$26.7m has been allocated to approximately 495 grants for research into such areas as Sudden Infant Death Syndrome, Care of the Aged, Adolescent Health, Family Health, Mental Illness, Cancer research, Neurological research and many other research areas.

Medical research is the primary beneficiary of funds from Australian Rotary Health. Since the year 2000 Mental Illness has been the main focus of research funding.

"Supporting healthier minds, bodies and communities through research, awareness and education"

Our District has contributed A\$2.4m since allocated grants commenced in 1985. And our ride has contributed over \$850,000 over the past 25 years.

All donations over \$2 are Tax deductible.

... of the things we think, say or do.

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?

## The Objects of Rotary

To encourage and foster the idea of service as a basis of worthy enterprise and in particular:

- first** The development of acquaintance as an opportunity for service.
- second** High ethical standards in business and professions, the recognition of the worthiness of all useful occupations and the dignifying by each Rotarian of this occupation as an opportunity to serve society.
- third** The application of the ideal of service by every Rotarian's personal, business and community life.
- fourth** The advancement of international understanding, goodwill and peace, through the world fellowship of business and professional men and women united in the ideal of service.
