Greetings all,

The joke on the front page reminds us to be sure our actions and words do not offend others. There is a serious side to the front page, really. We need more members to help man the gates and assist with that vital fund raising activity for the Rotary Clubs of Whitehorse. It is Spring time now, and the task will become more pleasant as each month goes by.

On page 7 there is notice of a “Doctor’s Concert”. Proceeds in aid of Australian Rotary Health.. Definitely worth a night out, so book tickets early.

Australia

WHAT AN AMAZING COUNTRY WE LIVE IN!

A Picture Of Just How Big Australia Actually Is..".

"I never thought about it "

This gives you a good idea of how big "Australia" actually is! ...

Not quite that tiny little back water country you thought it was

It has the worlds largest deposits of coal, gas, opals ,diamonds ,emeralds, ruby, boxide (uranium), & allium in the world & 70 % of the world's iron ore etc

Now, go to your web browser, and get into www.9810rotary.org.au and read about the amazing things happening in Australia and in other parts of the world. All of which are being achieved by people just like you.....members of so many Rotary Clubs, just like yours Isn't it a great feeling to be part of such an amazing organisation?

AUSTRALIAN ROTARY HEALTH

Australian Rotary Health (ARH) is a major research fund and grants organization. It is the largest Australia-wide project undertaken by Rotary.

The Australian Rotary Health Board allocates research grants on the advice of a Research Committee that comprises eminent medical and paramedical professionals.

Since 1985 over A\$26.7m has been allocated to approximately 495 grants for research into such areas as Sudden Infant Death Syndrome, Care of the Aged, Adolescent Health, Family Health, Mental Illness, Cancer research, Neurological research and many other research areas.

Medical research is the primary beneficiary of funds from Australian Rotary Health. Since the year 2000 Mental Illness has been the main focus of research funding.

"Supporting healthier minds, bodies and communities through research, awareness and education"

Our District has contributed A\$2.4m since allocated grants commenced in 1985. And our ride has contributed over \$850,000 over the past 25 years.

All donations over \$2 are Tax deductible.

... of the things we think, say or do.

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?
