**President: 2013 - 2014
Wayne Lucas**

Greetings all,

Thank you, to all that helped at the Whitehorse Farmers Market on Sunday. I believe the van was there early, by about an hour. Any guesses?

Peter had marked out all the spaces for the vendors.

This Tuesday is a meeting of a different kind. Ron has been asked as executor of a will to clean up a house, so we are all working together with some op-shop staff, to take as much of the saleable items to the op-shop from this house.

This is a great time for us all to work together as a club with the op-shop, and support Ron.

Lunch will be pizza, so bring your hand cleaner. See you all as the email I had sent with the name and address.

Thanks to all that can give time for this working bee.

Wayne

What Paul Harris Said.....

By Paul P. Harris

Founder and President Emeritus of Rotary International

Glancing back through my anniversary messages of the past, it seemed to me that I had covered every inch of the ground; that I had told everything I knew. Then the thought came to me that I had omitted the question Rotarians most frequently ask me: "When you founded Rotary, did you think that it would come to anything like this?"

My answer to that question is, "No." My thoughts on that day 42 years ago this month when the first Club first met, were far from any such thing. Recall Andrew Carnegie's answer to an adoring lady who asked him if he did not think that his great work was inspirational: "No, madam, I think it was more perspirational than inspirational."

So it was in Rotary. There was no inspired beginning. Young businessmen, mostly from the country, came in response to my call. Unacquainted with city life, we gathered together to help and befriend each other. We had been lonesome and we had found a cure for lonesomeness. We looked forward to meetings as a traveller in a desert looks forward to oases. We banished "Mister" and used first names. Silvester Schiele suggested photographs in our roster and the reading of papers on our respective businesses. Harry Ruggles contributed Club singing.

My plan for our Club provided that only one member of each business or profession would be eligible for membership. We would thus be able to enjoy the fellowship and also to help each other in our respective vocations. The Club grew by leaps and bounds, and representatives of different nationalities, religions, and political faiths came in. Complete tolerance prevailed.

The Objects of Rotary

To encourage and foster the idea of service as a basis of worthy enterprise and in particular:

- first** The development of acquaintance as an opportunity for service.
- second** High ethical standards in business and professions, the recognition of the worthiness of all useful occupations and the dignifying by each Rotarian of this occupation as an opportunity to serve society.
- third** The application of the ideal of service by every Rotarian's personal, business and community life.
- fourth** The advancement of international understanding, goodwill and peace, through the world fellowship of business and professional men and women united in the ideal of service.

You can't help everyone, but everyone can help someone.

Whitehorse Farmer's Market

Once again, the hardy team of Rotarians has stepped up early in the morning to set up and manage the Whitehorse Farmers Market in Nunawading.

Well done everyone. It was a clear start to the morning, but fog descended on the place at about 8 am and stayed for quite a while, lifting later in the morning.

Crowds were understandably sparse and donations at the gates was quite low.

Thanks to our members who were there to man their gate, and to Peter McPhee who came really early to set up the stall places.

The market van was there bright and early, and a number of cold and hungry people enjoyed a hot barbecue breakfast.

Pres. Wayne.

**The Four
Way Test**

... of the things we think, say or do.

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?

Outgoing Group Study Exchange Team

Destination: Indiana, U.S.A.

Bon Voyage to the outgoing Australian Group Study Exchange Team on their way to Indiana, U.S.A.

The Dinner at Fountain's Restaurant at Box Hill Institute to send off the G.S.E Team to Indiana, U.S.A went over particularly well.

Jack and Pamela might have been less than impressed with the seating position, not being able to see what is going on behind them.

Description of Rotary
