**Presidents Report
May 8th 2018**

Hi Everyone,

Welcome to our meeting today, and a special welcome to our guest speaker, Brian Morley, a man who has dedicated a great deal of his life researching the news and bringing vital information to the population of our country.

Members who wish to attend the District 9810 Governors' changeover dinner on June 2nd, will need to book their places before the end of May. Details on another page.

Students from our own Mullauna College did a wonderful job representing their country, Sweeden, at the Model United Nations Assembly held at the Victorian Parliament on May 5th and 6th. Our team visits our club to fill us in on their amazing experience in the near future. Many thanks to Peter McPhee for his work coordinating our club's team.

Peter McPhee reports that our Op-Shop is going well on weekly takings, and that last Saturday was also successful.

Thank you everyone for being here today to enjoy our weekly get-together, and to hear our Guest Speaker's tales about his extensive experience in news reporting.

Regards John

APOLOGIES: Would all members please ring or email another member if they are not able to attend a regular meeting of the club, if they find they have another engagement?

Description of Rotary

Rotary is an organisation of Business and Professional persons, united world wide who provide humanitarian service, encourage high ethical standards in all vocations, and help build goodwill and peace in all the world.

MUNA 2018

This year, students from Mullauna College in Mitcham represented the nation of Sweden at the Model United Nations Assembly held each year in the Victorian Parliament Building. By all accounts our team performed admirably, dressed in traditional Swedish dress. Our club co-ordinator, Peter McPhee did a wonderful job organising this year's team from our local college, and supporting them through the event.
